

The policies set forth herein are directives adopted by the Allure Waikiki AOUO Board of Directors to be carried out accordingly by the Allure Front Desk Ambassadors and the Management Office. If you have any suggestions on how to improve a policy or procedure, please put them in writing and they will be reviewed by the Board. Adopted: 11/10/15	Version: 1.2	

**Placement:**

Rented surfboard storage stall numbers are assigned by Management and are subject to being relocated. Proper notice will be given.

Your use of your rented stall may not interfere with other Resident’s ability to properly utilize their stall. You are held responsible for any damage to your stall. Any damage claim between Residents must be settled amongst themselves. Storage stalls can not be altered or modified in any way.

**Regulations:**

Stalls are only intended for your personal use and can not be sublet or rented out.

**Enforcement:**

Management will periodically walk through the storage room to check for compliance with registration requirements. Non-compliance with these regulations will result in termination of your rental with no refund. Your board will then be considered unregistered and the appropriate actions will be taken.

**Retrieving:**

Any boards which are not in accordance with these procedures (including, but not limited to, improper registration), will be removed from the rack. In the event that a board is removed, Management will attempt to contact the owner if possible. Removed surfboards will be handled in accordance with the law. Boards still in possession of Management may be claimed during regular office hours, although there is no guarantee.

There is a \$30 retrieval fee to claim a removed surfboard. The Owner must sign a form swearing ownership of the surfboard. A copy of the Owner’s photo ID must accompany this form.

**Indemnity:**

Surfboards are stored at the owner’s risk. You are responsible for the security of your board. You must provide and use your own lock. The Association is not responsible for any damages or theft.

The Association reserves the right to temporarily remove any surfboard (locked or unlocked) from the designated storage rack area for purposes of performing maintenance or repairs to the Common Elements.
