

Unit Owner at Allure Waikiki

5/22/2024

Mandatory HO6 Coverage - Please Respond by 6/21/2024

We at Insurance Associates would like to introduce ourselves as the insurance agent for **Allure Waikiki AOA's** master insurance policy. As you may be aware, the Association's Board of Directors requires that each owner have a homeowners (HO6) insurance policy that meets the following minimum amounts of coverage:

AOAO Deductible**:	\$30,000
Liability:	\$300,000
Contents:	Optional

** The AOA Master Property policy covers the interior of the unit **as it was originally built** and does not cover upgrades made by you or any previous owner. Coverage for damages below the AOA deductible will be under **Dwelling/Building** (and with some insurance carriers, **Loss Assessment** as well). We recommend that you discuss these amounts with your insurance agent as they are only the minimum amounts required and may not reflect the actual coverage you need. Your agent will be able to advise if any changes to your policy are necessary.

To satisfy this requirement, we have been tasked by the Association with securing proof of your homeowners insurance policy for your unit at **Allure Waikiki Apt XX**. This can consist of either the declarations page of your policy or a certificate of insurance. Your insurance agent will be able to provide this information to us directly if you send them this letter and request their assistance.

Please submit proof of insurance to our HO6 tracking department before 6/21/2024. Submissions can be made by fax, email, or regular mail to:

Fax Number: 808-792-5357
Email Address: ho6@insuringhawaii.com
Mailing Address: 800 Bethel St Suite #200, Honolulu, HI 96813

Because the Association requires continuous coverage, you will need to submit proof of insurance each year when your policy renews. For your convenience, you may consider adding Allure Waikiki as a 'certificate holder' supplying our mailing address above. Your carrier will then automatically notify us when your policy is renewed. Please discuss this option with your insurance agent.

If you would like to confirm that we have received your proof of insurance, please contact **Haseena Zachariah** at 808-526-9257.

Mahalo!
